Scholarships and Awards

As one of the leading Prep Schools in the UK, we feed the top senior schools.

Every two years, Port Regis hosts its Senior Schools' Fair for the UK's top senior schools to send their Registrars and Admissions staff to in order to answer parents' questions. We also update and publish a Guide to Choosing a Senior School for parents every year.

2020-21

Our Senior Deputy and Head of Academics James Webb, had to walk around all the old Scholarship boards (of which there are quite a few!) to double check, but in 2001 our 39 awards became a new school records for 13+ prizes, overtaking the 31 awards won in 2003.

Against the backdrop of more than a year of disruption and a significant amount of time learning online, it was an absolute testament to the resilience and dedication of our A Form pupils and the brilliance of our teaching staff, who, in week two of lockdown, moved the entire academic timetable to Microsoft Teams. 100% of this A Form year headed to their senior school of choice, 43% with Scholarships and/or Awards.
